

New York's True Boutique Launches Knitwear Line

Feature · April 3, 2009 · 0 Comments

Looks from the Fall 2009 True by True Boutique collection. Courtesy of True Boutique.

True Boutique in Nolita prides itself in carrying a range of cool contemporary designers, like Cloak & Dagger and Dallin Chase, in sizes that range from zero to sixteen. This Fall 2009, owner of True Boutique, Katie Campbell, will launch True by True Boutique, a knitwear range that likewise offers the full spectrum of sizes. Interesting but accessible we think these basic cashmere pieces will appeal to a wide range of customers. Learn more, [right here](#).
