Here's a tip for all our plus-sized indies out there.

True Boutique now stocks the hottest young brands like **Dallin Chase**, **Cloak & Dagger** and **Jordache** in a range of sizes made exclusive for their shop. You can grab items in 00 and 16. But if you're a 16 I wouldn't suggest shopping with any friends who were a size 00, the perfect 10 references are far and many. As an added benefit True Boutique has an in-house tailor who will custom-fit anything for your body including their wide range of denim.

Open: Tues-Sat., noon-7 p.m; Sun., noon-6 p.m.
